7. WHAT IS YOUR POLICY FOR DAMAGES OR LOSS?

We have a strict policy regarding damages to our boards. For the convenience of all our clients, we provide premium service with high-quality boards tailored to the characteristics of Madeira's waves. We offer a price table with estimated repair costs as a reference in case of damage. Our goal is not to profit from repairs but to ensure that repair costs are covered. This way, we can continue to provide equipment in excellent condition and guarantee our clients' satisfaction. We believe this approach is essential for preserving the quality of our service and ensuring the safety of surfers on the island while promoting a fun and responsible experience for everyone.

8. MY SURFBOARD HIT THE ROCKS AND GOT DAMAGED. WILL I LOSE MY ENTIRE DEPOSIT?

In the case of damage to a surfboard, a fee will be charged for its repair. We do not profit from this; we only deduct the amount related to the repair. Additionally, we assume responsibility for the downtime when the board is out of operation but are not liable for damages caused by our clients. In some situations, the client may have to pay for a new board if the repair cost exceeds the security deposit.

9. WHAT ARE THE PICK-UP AND DROP-OFF TIMES FOR THE BOARDS?

Board pick-up is generally until 10 a.m., allowing other clients who wish to use the same board to do so. It is important to respect the agreed pick-up and drop-off times when renting a board. These times are typically available on our website, and we can accommodate specific requests as long as they are pre-arranged with the Madeira Surf Center team and specified in the rental contract. This ensures an efficient and satisfactory experience for all clients.
